

Facia plate installation kit for:

JEEP

Model: Renegade

Year: 2015>

Kit content: 7" facia plate
mounting brackets + screws

Compatibility: Compatible with double DIN device

Customer code: CA-HM-CG.002

INSTALLATION MANUAL

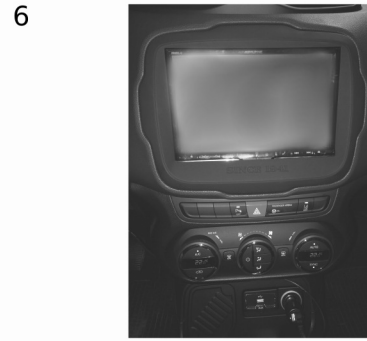

1 This is how the original dashboard looks like.

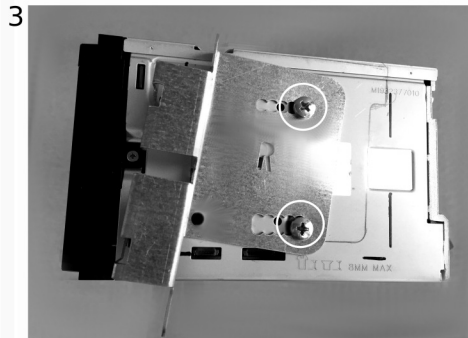

5 Adjust the AFT unit and fix it to the dashboard with screws.

2 First: remove the original facia plate; Second: unscrew the screws from the dashboard and remove the original head unit.

6 Insert the facia plate. This is the final result.

3 Put the mounting brackets on the head unit and fix them with screws. Pay attention to the letters on the brackets with screws as shown in a photo.

4 Connect all cables, verify the proper functioning of the system and insert the AFT head unit into the housing.
